

*Paloma Faith, 24,  
singer and performer  
(far left), and Petra  
Storrs, 27, costume  
and set designer*

Magician's-assistant-turned-singer Paloma is as exuberant as her Montezuma Red lipstick. Petra, meanwhile, is quiet, shy and restrained. Together, they are the perfect creative team. "Most people tell me my ideas are impossible, but Petra makes my imagination real," says Paloma of their otherworldly stage costumes and theatrical sets.
